Looking Greythorn Smart

THIS WEEK'S HIGHLIGHTS

Year 1/2

Year 1/2 have enjoyed learning about and exploring micro habitats this week. They investigated the conditions of different micro habitats and discovered the mini beasts living there.

Year 3/4

Over the last two weeks, the Year 4 children have completed their Multiplication Tables check. We are so proud of them and what they have achieved. Every single child has made progress, and all of their hard work has paid off. Thank you to all of the parents for your support throughout. They are now all times table superstars.

THIS WEEK'S HIGHLIGHTS

Flying High Partnership Sports Event

On Monday, a team of twelve Year 1/2 athletes visited the David Ross Sports Village as part of the Flying High Partnership Sports event. They competed in a range of field and track athletics events, including speed bounce, long jump and several relay races. The whole team were super and a real credit to our school. Their teamwork and enthusiasm for supporting each other really shone through and they were all amazing!

Year 5/6

Year 6 have been busy in rehearsals learning lines, stage directions, dances and songs. The Year 5 have also been busy learning the song lyrics. We are very excited for our end of year performance: Ali Baba and the Bongo Bandits.

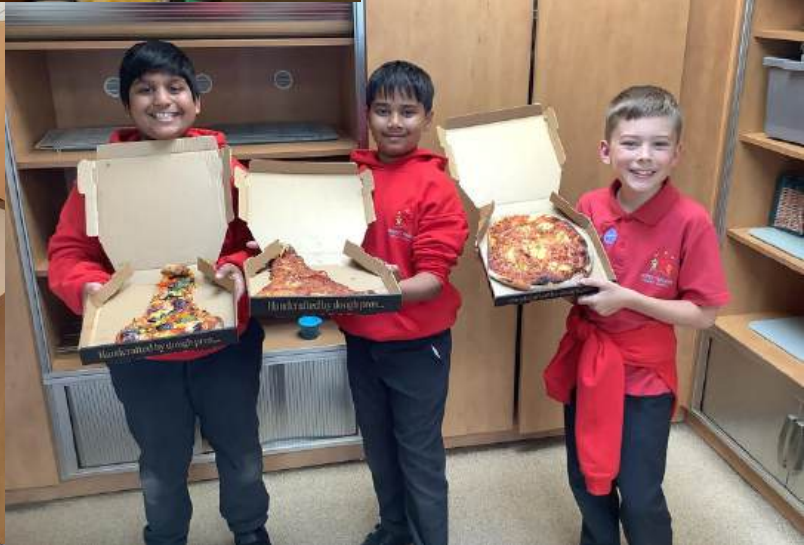

THIS WEEK'S HIGHLIGHTS

Year 6

Year 6 had a fantastic pizza making experience this week at West Bridgford School with Della. They showed brilliant teamwork, communication and cooking skills. They even got to eat their pizza for lunch if they wanted to!
