MONDAY 21st - FRIDAY 25th JULY

York Residential Year 6

A MESSAGE FROM YOUR HEADTEACHER

Dear Parents and Carers,

Our children have been enjoying the warm weather this week, especially our Year 4s, who watched the tennis in the sunshine at the Nottingham Tennis Centre, and our Year 6s, who had a special guided tour of the new housing at Chateau Mews on Wilford Lane.

We also welcomed our new September starters visiting Foundation, as they excitedly got to know our amazing teachers and fabulous learning environment.

I hope you enjoyed watching our talented musicians and wonderful choir performing in the Summer Concert. We are very proud of how hard they have worked and how confidently they performed.

Mrs Carpenter

TUESDAY 29th JULY

Last Day of Term
6.45pm - 8.45pm
Year 6 Leavers Party

THIS WEEK'S HIGHLIGHTS

Foundation

This week, we launched our new enquiry, 'What is life like for people around the world?'. We began by refreshing our knowledge of the world and reminding ourselves of the seven continents. The children were able to paint flags of the countries we will be looking at and explore different continents on Google Maps.

THIS WEEK'S HIGHLIGHTS

Year 1/2

Year 1/2 have been enjoying exploring how to create different sounds using untuned percussion instruments and body percussion. This week, they have explored timbre and composed sequences of music to reflect different moods, which they then performed for the class. What a lot of fun they had!

THIS WEEK'S HIGHLIGHTS

Year 3/4

Sonia has completed an incredible piece of homework this week on Roman bath houses. She has created every single part of this structure from scratch and has spent over a month completing her creation. We are so proud of you, Sonia.

Year 4

This week, Year 4 had an amazing day at the Nottingham Tennis Open. We had the opportunity to watch two professionals playing their match and were amazed! Many of the children wanted to be ball boys/ball girls. We then took part in some tennis sessions, one focused on skills, and the other was a competitive session where we worked in teams. Year 4 were brilliant and represented our school exceptionally well. We even received several compliments from members of the public about their manners and good behaviour. Well done year 4!

THIS WEEK'S HIGHLIGHTS

Year 5/6

Year 5/6 went on a Geography Field trip to Chateau Mews on Wilford Lane. There we learned about the sustainable features of the new housing as well as the environmental considerations for the site. The children were lucky enough to go in two show homes and then had a competition to design a home - shark tanks and spas may have featured in some! We are grateful to Keepmoat homes for their welcome and organisation of the visit.

FOGSA

NON-UNIFORM DAY
